# P2回答根本策略

- 从上到下，逐点回答 (*when, where, who*可能需要自己调整顺序)

- 如果可以，每点扩展
- 如果不可以，一带而过

- *As I was saying, ...*
- *As/Like I said before, ...*

微博：杨帅-贵学

公众微信：Ielts-shuaige

版权所有，盗版必究！

- 主要扩展方式

- (回答-解释-具体-总结) \*4

- 平行扩展

- *we like to do everything/tons of things/loads of together.*
    - *we did a bunch of things during the journey.*
    - *in order to do this job well, a couple of qualities are really important*
  - *first of all=for starters=firstly*
    - *plus=besides=also=apart from that*
    - *another ... is that ...*

— 如果可以，讲个故事（时间、地点、人物、事件、感受）

- *how often you go there (describe a street)*
- *what you like to do together (describe a family member)*
- *who the family members are (describe a family you like)*
- *what the house would be like (describe a house or flat you would like to live in)*

- 对比

- *A is much/far X-er/more X than B.*
- *A is not as ... as B.*
- *A is the best .../X-est/most X I've ever seen/been to/eaten/ ...*

- 如果题目本身无法说到两分钟:
- 展望未来
- 编一个和题目有一定关系的未来的事情（时间、地点、人物、事件、感受）
- 一定要具体
- *By the way, I'm going to .../I plan to ...*
- *Speaking of this, I'm actually going to .../I'm thinking of going ...*
- *Hopefully, ...*
- *I'm really looking forward to that.*
- *e.g.*
- *Describe a family member you often spend time with*
- *Describe a long journey by car you went on*
- *Describe a special trip you would like to go on*

- *Describe a family member that you spend the most time with*
- *You should say*
  - *Who this person is*
  - *What you like to do together*
  - *When you usually spend time together*
- *And explain why you like to spend time with him or her.*

- *I'm going to talk about my mom, who is in her mid-50s. She has been a Chinese teacher all her life and she is going to retire next year.*
- *My mom and I have always been pretty close, so we hang out together whenever we're free. Mostly on the weekend actually.*

- *As for what we like to do together ...well, we do loads of things. For starters, although my mom is near to retirement age, she is still a fashion-forward person, so I always go shopping with her. Last Saturday, we went to Joy City, the most popular shopping mall in Beijing. She bought two blouses and a striped scarf. Besides, we're both quite fond of traveling and we go somewhere new from time to time, whenever there's a holiday of course. What else is there to say? Oh, yeah, you know, I've been teaching her how to play the guitar recently and I have to say, she is a quick learner. I believe she will be able to play an entire song next week,*

- *Anyway, I really like to spend time with my mom mainly **because** we have so many similar interests. Well, of course, she is my mom, so I take after her. **Another reason is that** she actually tries to keep up-to-date with the latest trends, you know, she looks so much younger than she actually is.*

  - *How often you listen to this song*
- *And explain why you think it is special to you.*

- *I'm going to talk about the time when I drove to Inner Mongolia with my parents. You know, as I said just now, I'm from Beijing. Inner Mongolia is about 5 or 6 hundred kilometers away from my city, so it took us a little over 8 hours to drive there. Oh, sorry, I forgot to mention that we went there three years ago. I had always longed to go to Inner Mongolia, so my dream finally came true then.*

- *Anyway, regarding what we did during the journey ...well, since we drove for 10 hours, which was a long time, we did quite a few things along the way. First of all, in order to kill time, my parents told me a lot of their love stories when they were young. For example, my mum said that at first, her dad didn't approve of their marriage, so my parents even thought about eloping. It was quite interesting hearing those stories. Plus, at some point during the journey, we had a picnic on the side of the road. What made it really enjoyable was that it was quite picturesque there, so we took a lot of photos.*

- *Well, I went on this journey by car mainly because I'd always loved driving myself. I don't really like other forms of transport. Once, I went to Sichuan by train and it was really uncomfortable. I mean, there were so many people in one carriage and they were being really noisy, which I found extremely annoying. So I think driving is far more enjoyable and comfortable than taking the train.*

- *Describe a job you would like to do in the future*
- *You should say*
  - *What job it would be*
  - *What qualities are required for this job*
  - *Whether it would be easy to do this job*
- *And explain why you would like to do this job in the future.*

- ***I would like to** be tour guide in the future. Honestly, I've been thinking about it for a long time already, ever since I was in high school.*
- ***I guess in order to be a tour guide, several qualities would be extremely important. First of all, I need to be a good communicator because if I were a guide, I would have to talk with my guests all the time; I would need to explain our itineraries, talk about the backgrounds of the places we would visit and also help them solve many problems. Plus, it would be important that I spoke good English. I mean, I would like to take foreigners to all those famous places of interest in our country, so being able to speak English well would be essential.***

- *Anyway, in terms of whether it would be easy to do this job ...well, quite frankly, I don't think **it would** cos I'm not really a people person now, **I would have to** force myself to be more outgoing and sociable. **That would definitely** take a lot of practice, I believe.*
- ***I would like to be a tour guide in the future mainly because** I've always loved traveling and **I think it would be fantastic if I could** incorporate my passion into my future job. **It would be** quite amazing to make money and have fun at the same time.*
