- Radiology #051237
238. Which one is a good phenomenon, high employment or low employment?  
- High employment #051238
239. Which is the longest: a decade, a millennium or a century?  
- A millennium #051239
240. Which is usually considered against the law? The use of illicit drugs or the use of prescribed medication?  
- The use of illicit drugs #051240
241. Which kind of punishment for a crime is the less severe, an imprisonment or community service?  
- Community service #051241
242. Which branch of science deals with the classification of living things?  
- Biology #051242
243. Which of these would probably be found in an office, a printer, a blanket or a nailbrush?  
- A printer #051243

244. Which of these would probably be found in most homes around the world, a computer, a bed or a television?  
- A bed #051244
245. Which one is quicker? Running, walking, or jogging?  
- Running #051245
246. Which activity uses manpower: flying a plane, driving a car, or cycling?  
- Cycling #051246
247. Which part at the end of a book can be used for further reading? An index or a bibliography?  
- Bibliography #051247
248. Which section of a newspaper gives the opinion of an editor?  
- Editorial #051248
249. Which section of the train timetable will tell you, what time the train leaves?  
- Departures #051249
250. Which source is more reliable: magazine or journal?  
- Journal. #051250
251. Which sweet food do bees produce?  
- Honey #051251
252. Which symbol is used to complete a sentence?  
- Full stop. #051252
253. Which would be better to report the population of a major global city, hundreds, millions or billions?  
- Millions #051253
254. What is the job title who cuts a man's hair?  
- Barber / Hairdresser. #051254
255. Who is a person that makes bread, cakes and pastries?  
- Baker #051255
256. Who is the main journalist responsible for producing newspaper or magazine?  
- Editor #051256
257. Who serves food in a restaurant?  
- Waiter / Waitress. #051257

258. Who would you consult to treat a fear of crowded places, a philosopher or a psychologist?  
- A psychologist #051258
259. Whose job is to treat people that are ill or have an injury at a hospital?  
- Doctor #051259
260. Why do people wear gloves when they do experiment?  
- Protection #051260
261. Will it be better to use km or kg to measure the distance between two cities?  
- Kilometer #051261
262. Would it be better to go jogging at noon or in the early morning, if you wanted to avoid the hottest part of the day?  
- In the early morning #051262
263. Would letter or email be the fastest way to get a message to your professor?  
- Email #051263
264. Would you go to a pharmacist or a surgeon to get a prescription filled after visiting a doctor?  
- A pharmacist #051264
265. Would you measure volume of water in liters or kilos?  
- Liters #051265
266. Apart from addition, subtraction, and multiplication, what is the other mathematical calculation method?  
- Division #051266
267. What does the chemical symbol  $H_2O$  stand for in chemistry?  
- Water #051267
268. What do we call the thread in the center of the candle?  
- Wick #051268
269. Which one of the following is not a mythological animal, unicorn, giraffe, dragon or mermaid?  
- Giraffe #051269
270. How many sides does an octagon have?  
- Eight. #051270

271. How do you describe the movements of the wings of this animal? Pounce, stretch or flap?

- Flap #051271

272. What do people cast in an election?

- Vote. Ballot. #051272

273. How would you describe an animal that no longer exist on the earth?

- Extinct #051273

274. In what industry do you work if your job is to extract minerals from below the Earth's surface?

- Mining #051274

275. What do you call the diagram which includes a horizontal line called the X-axis and a vertical line called the Y-axis?

- Coordinate system. #051275

276. What kind is this animal, a reptile or a mammal?

- Mammal. #051276

277. Who is the predecessor of Matt Gregory?

| Captain of Cricket |                |
|--------------------|----------------|
| 2007/08            | Adam Turner    |
| 2008/09            | Matt Gregory   |
| 2009/10            | Josh White     |
| 2010/11            | Nick Lowe      |
| 2011/12            | Sam Davison    |
| 2012/13            | Haroon Tariq   |
| 2013/14            | Romir Singh    |
| 2014/15            | Freddie Parlby |

- Adam Turner. #051277

278. What natural resource is used by a carpenter?

- Wood. #051278

279. What does altitude measure: height or length?

- Height. #051279

280. What is the section in the library called where you can only read but cannot bring the books out of the library?

- Reserve collection. #051280

281. If you are happy with an agreement, what would you like to put at the bottom of the contract with the date?

- Signature. #051281

282. What is the verb form of the noun "abstention"?

- Abstain. #051282

283. What do we call a festival which is held every four years gathering people together as a sporting event?

- Olympics. #051283

284. To which of our senses do all of the following words relate: rough, smooth, and granular?

- Touch. #051284

285. How many hemispheres does the equator split the earth into?

- Two. #051285

286. Which of the following sports is more dangerous, parachuting or long-distance running?

- Parachuting. #051286

287. What is the private teacher who gives you lessons outside school hours?  
- Tutor #051287
288. Which shape in mathematics has the concept of perimeter and diameter?  
- Circle. #051288
289. What is the opposite of 'guilty'?  
- Innocent. #051289
290. Under which circumstance would you describe the economy as a good one, the one with high unemployment or low unemployment?  
- Low unemployment. #051290
291. Which one has a low humidity, a desert or a rainforest?  
- A desert. #051291
292. If someone has a couple of kids, how many kids does he have?  
- Two #051292
293. What is the official count or survey of a country's population, especially including demographic details of individuals?  
- Census #051293
294. Where is the "Power" button?

- Upper left / Top left. #051294
295. When you are speeding on the road and pulled over by the police, what money would you need to pay?  
- Fine. #051295
296. Fruits are protected by their skins. Then what is the hard object in the center of peaches, apples and pears?  
- Stone/pit/kernel. #051296
297. What is the shape of an egg?  
- Oval #051297

298. How many sides does a hexagon have?

- Six. #051298

299. How many sides does a pentagon have?

- Five #051299

300. Which one has a smoother surface?

- Coke #051300

301. What do you call the son of your sister or brother?

- Nephew. #051301

302. What device do you use to type when you use a computer?

- Keyboard. #051302

303. In what room do scientists usually do experiments?

- Laboratory. #051303

304. What clothing do people wear, such as students or nurses, to show that they belong to the same organization?

- Uniform. #051304

305. What do you call the red liquid that transports oxygen through your body?

- Blood. #051305

306. What type of energy does the Sun produce, solar energy or oil energy?

- Solar energy. #051306

307. When trains or cars need to go through a mountain, where do they enter the mountain?

- Tunnel. #051307

308. What do you call someone who does a job with no salary or offers to do something without being forced?

- Volunteer. #051308

309. Despite all the advances and qualities of sexes, would more men or women play professional football?

- Men. #051309

310. Which month falls between September and November?  
- October. #051310
311. How do you call the condition of being unable to sleep?  
- Insomnia. #051311
312. How many days are there in February during a leap year?  
- 29 days. #051312
313. How many days are there in a leap year?  
- 366. #051313
314. What is the area of the low land between hills or mountains?  
- Valley. #051314
315. What is the list that shows the names of actors and actresses in a movie?  
- Cast. #051315
316. What's the force that pushes everything to the earth?  
- Gravity. #051316
317. What kind of book would you use to look up a word that you don't understand?  
- Dictionary #051317
318. If you want to find the map of the US, what type of book should you use?  
- Atlas #051318
319. If you invented something, what can you apply for to prevent others copying your invention?  
- Patent. #051319
320. What is the book that people write about their own stories?  
- Autobiography #051320
321. What fruit is used to make wine in a winery?  
- Grapes. #051321
322. How do pedestrians travel?  
- By foot. #051322
323. What is the last paragraph of an essay?  
- Conclusion.
324. What is the verb describing the process that water becomes ice?  
- Freeze. #051324

325. There are eight planets, such as Saturn, Jupiter, Uranus, and the Earth. What stellar system do these planets belong to?  
- Solar system #051325
326. What is the list of chapters at the beginning of a book?  
- Table of Contents #051326
327. What is the ocean on the west of America?  
- Pacific Ocean. #051327
328. What is the opposite of 'positive'?  
- Negative. #051328
329. What is the opposite of 'optimistic'?  
- Pessimistic. #051329
330. What is the act of sending goods to another country for sale called?  
- Export. #051330
331. In which compass direction does the Sun rise from?  
- East. #051331
332. If a business wants to introduce their products to the public by showing the qualities of the products on media, such as TV or newspaper, what would they use?  
- Advertisement. #051332
333. What are the mountains that can erupt?  
- Volcanoes. #051333
334. What do you call the phenomenon when the snow at the top of a snow mountain collapse all at once?  
- Avalanche. #051334
335. What do people with claustrophobia fear?  
- Confined space. #051335
336. What are buses, trains, and cars used for?  
- Travel. / Transportation. / Transport. #051336

337. What is the female wearing in the picture to protect her eyes?

- Goggles #051337

338. What shape has four sides of the same length?

- Square #051338

339. Which one is not a mammal: elephant, kangaroo, butterfly or dolphin?

- Butterfly. #051339

340. When your bone is injured and broken, what would you say you have?

- Fracture. #051340

341. How many eggs are there in a dozen?

- 12. #051341

342. What will water become at zero temperatures or under zero temperatures?

- Ice. #051342

343. What animal is a shepherd responsible for?

- Sheep. #051343

344. What is the joint between your shoulder and your forearm?

- Elbow. #051344

345. What is the line where the sky meets the land?

- Horizon. #051345

346. What is the document do students receive at the end of semester that shows a student's units and grades?

- Transcript. #051346

347. If a conference is held annually, how often is it held?

- Once a year. #051347

348. Before airplanes were invented, how did people travel from America to Europe?

- By ship. #051348

349. Do unions work for workers or management?  
- Workers #051349
350. What do you call a public sale in which goods or property are sold to the highest price offered?  
- Auction. #051350
351. What do you call the tower containing a beacon of light to warn or guide ships at sea?  
- Light house #051351
352. How do you describe the line that divide a circle into the same half?  
- Diameter. #051352
353. How do you describe the line that segment a circle?  
- Chord. #051353
354. How many times is a biannual magazine published in one year?  
- Twice. #051354
355. How many wheels does a tricycle have?  
- Three. #051355
356. How would you describe the process by which snow becomes water?  
- Thaw. #051356
357. What is the word or expression that has the same or nearly the same meaning as another word in the same language?  
- Synonym. #051357
358. If a species is described as venomous, what substance it has?  
- Toxin. #051358
359. If someone's response is simultaneous, is it quick or slow?  
- Quick. #051359
360. In the word 'postgraduate', what does 'post' mean?  
- After. #051360
361. If a meeting is scheduled on Wednesday, and today is Tuesday, then will the meeting be held tomorrow, the day after tomorrow, or next week?  
- Tomorrow. #051361
362. Oral English is different from academic English. Which is the best example for academic English: "tolerant" or "put up with it"?  
- Tolerant. #051362

363. A newspaper is published every day, and a journal is published every month. What do you call the publication that is published four times a year?  
- Quarterly #051363
364. What attitude would you have when you are in a job interview, enthusiastic or passive?  
- Enthusiastic #051364
365. What can be used to describe desert: aridity or humidity?  
- Aridity #051365
366. What can bring astronauts to space?  
- Spacecraft #051366
367. What century are we living in now?  
- The 21st century #051367
368. What device would you use to look at a distant object?  
- Binoculars #051368
369. What do guitars, violins and cellos have in common?  
- Strings #051369
370. What do humans and animals need to inhale for survival?  
- Oxygen #051370
371. What do meters and millimeters measure, height or length?  
- Length #051371
372. What electronic device wakes you up in the morning?  
- Alarm clock #051372
373. What do we call a dream that is very frightening or unpleasant?  
- Nightmare #051373
374. What is paper made from?  
- Wood #051374
375. What is the opposite to "Successor"?  
- Predecessor. #051375
376. "What is the doctor who specializes in treating children's diseases?"  
- Pediatrician #051376
377. What term do we use in business to mean a period of three months?  
- Quarter. #051377

378. What is the force that occurs between the relative motion when objects are rubbed against each other?  
- Friction #051378
379. What is the heading at the top of an article or page in a newspaper or magazine?  
- Headline #051379
380. What is the line between two nations?  
- Border. #051380
381. What is the main harmful instance in tobacco that is often discouraged by a doctor?  
- Nicotine #051381
382. What is the process where the color becomes lighter and lighter when exposed to sunlight for a long time?  
- Fade. #051382
383. What is the opposite of "still"?  
- Moving. #051383
384. What is the opposite to convex?  
- Concave #051384
385. What is the table that lists chemical elements in order of atomic numbers in rows and columns?  
- Periodic Table #051385
386. What is the thing that has iron inside and can attract iron?  
- Magnet #051386
387. What publication reports current events every day?  
- Newspaper #051387
388. What term is used for the amount of money we owe, asset or debt?  
- Debt #051388
389. What is the word for a sick or injured person who is in hospital?  
- Patient #051389
390. What's the opposite of maximize?  
- Minimize #051390
391. What's the relationship between two people sharing the same opinion?  
- Agreement #051391

392. When a company's assets have increased by triple, how many times does it increase?  
- Three times #051392
393. Where do you go to send mails, a post office or a coffee house?  
- Post office #051393
394. Where would you hang your clothes, in a closet or a drawer?  
- Closet #051394
395. Where would you normally see crosswords?  
- Newspaper #051395
396. Which day is between Tuesday and Thursday?  
- Wednesday #051396
397. Which object can be put into a handbag, a bicycle or a book?  
- book #051397
398. Which of the following is not a means of transportation: a plane, public transportation or a model car?  
- Model car #051398
399. Which one can be put into a backpack, a book or a table?  
- A book #051399
400. Which one has more academic articles, magazines or journals?  
- Journals #051400
401. Which one has more interactions between teachers and students, a lecture or a tutorial?  
- A tutorial #051401
402. Which one is easier to recycle? Plastic or paper?  
- Paper #051402
403. Which part of the body do optometrists examine?  
- Eyes #051403
404. Which part of your leg can make it possible to bend?  
- Knee #051404
405. What is the connecting part between two bones?  
- Joint #051405
406. What is the job title for someone who flies an airplane?  
- Pilot #051406

407. Why are bees important for agriculture?  
- Pollination #051407
408. What do the following belong to: roses, daisies, tulips, etc.?  
- Flowers #051408
409. "Which one needs the most complicated mechanism: a car, a ship or an airplane?  
- Airplane #051409
410. What do the following terms describe: kilograms, pounds, and ounces?  
- Weight #051410
411. What device is used to measure the height of mountains?  
- Altimeters. #051411
412. Which one would a vegetarian most likely eat, sandwiches or fruit salad?  
- Fruit salad #051412
413. What is the 25<sup>th</sup> letter that we use to write English words?  
- Y #051413
414. What does IT stand for?  
- Information Technology #051414
415. Who produces books?  
- Publisher #051415
416. When you fill in a form, what are the two options for 'gender'?  
- Male and female #051416
417. What are apartments, houses, and flats called?  
- Properties #051417
418. What protects birds on the outside of their bodies?  
- Feather. #051418
419. If a car is not stopping, what is it doing?  
- Running. #051419
420. What is a book that tells stories with pictures?  
- Comic books #051420
421. What is the document you submit before you submit your assignment at university?  
- Proposal. #051421
422. Does a scapegoat receive or give a crime?  
- Receive #051422

423. If a car is not stationary, what is it doing?  
- Moving/Running. #051423
424. What kind of clothes and shoes do you wear to keep comfortable when hiking?  
- Hiking outfit. #051424
425. Where do you hang your coat, in a closet or in a drawer?  
- Closet. #051425
426. What is "being green" helpful for?  
- Environment. #051426
427. What shines at night in the sky and uses its own brightness?  
- Star. #051427
428. Which shape has four equal sides and four angles, and each angle is a right angle?  
- Square. #051428
429. What do we call a person who studies the past?  
- Historian. #051429
430. What is the first paragraph of an essay?  
- Introduction. #051430
431. What gas will be formed from the boiling water?  
- Vapor. #051431
432. What's the process of people paying money to governments for public services?  
- Taxation. #051432
433. How often does February have one extra day?  
- Every four years. #051433
434. How would you describe someone who can speak two languages?  
- Bilingual. #051434
435. What do you call a length of time that lasts for seven days?  
- Week. #051435
436. When you use Microsoft Word, which category does "Times New Roman" belong to?  
- Font. / Typeface. #051436
437. Which one has a higher humidity, a desert or a rainforest?  
- A rainforest. #051437
438. Which organ is the blood pumped from?  
- Heart. #051438

439. What is the outer part that protects fruits like oranges and bananas?  
- Peel. #051439
440. What is the hardest part of your hand?  
- Nails. #051440
441. What substance would farmers spread into the soil in order to make plants grow more successfully?  
- Fertilizer. #051441
442. What device is used to measure a 200-meter sprint?  
- Stopwatch. #051442
443. Tomorrow's lecture has been cancelled. If today is Tuesday, then on which day was the lecture cancelled?  
- Wednesday. #051443
444. What do bees collect from the center of flowers?  
- Pollen. #051444
445. What is the horizontal line that separates the globe into two same halves?  
- Equator. #051445
446. What is the device that shows the time of the day according to the shadow of sunlight?  
- Sundial. #051446
447. What word means the opposite of artificial?  
- Natural. #051447
448. What is the dictionary of synonyms and antonyms?  
- Thesaurus. #051448
449. What is the tool that you use to measure a human's weight?  
- Scale. #051449
450. What is the opposite to the direction of where the Sun rises?  
- West. #051450
451. Which of the following is not a means of transportation: plane, train, or car model?  
- Car model. #051451
452. What do we call trouser-like clothing worn for sports that ends above the knee?  
- Shorts. #051452
453. What do meter and millimeter measure: weight or length?  
- Length. #051453

454. What order is a bibliography usually listed in?  
- Alphabetical order. #051454
455. What is the activity of inhalation of tobacco substance that is harmful to our health?  
- Smoking. #051455
456. If you want to read tragedies or comedies, what genre of book do you read?  
- Fictions (or Novels). #051456
457. What is the music that is recorded for a movie or a film?  
- Soundtrack. #051457
458. What's the color of the medal that a champion gets?  
- Golden. #051458
459. What medal does a champion gets?  
- Gold medal. #051459
460. What financial institution do people usually go to save money?  
- Bank. #051460
461. Where do people go for watching sports or games?  
- Stadium. #051461
462. What are the two holes in your nose that you use to breathe?  
- Nostrils. #051462
463. Which part of birds' body is used for flying?  
- Wings. #051463
464. Which part of body do mammals use to feed their next generations?  
- Breast. #051464
465. What material are windows made of?  
- Glass. #051465
466. What is the job title for someone who works at the beach and save people's lives when they are in danger in the sea?  
- Life savers. #051466
